**This continuing nursing education activity was approved by the New York State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Short IV Insertion Classes

(There is no commercial support for this activity.)

Target audience: Nurses and other health care professionals who may insert intravenous catheters as part of their job.

Overall goal of the activity: To instruct nurses, and health care professionals in short IV catheter insertion procedures, and in short IV catheter complication prevention and management .

Activity Goals and Objectives:

Upon successful completion of this activity the attendee will be able to:

- 1: Name 3 upper extremity veins appropriate for short IV cannulation.
- 2: Describe one technique to identify a vein appropriate for short IV catheter insertion.
- 3: Describe 2 steps to cause vein distention for venipuncture.
- 4: Describe 2 ways to prevent infections caused by a short IV catheter.
- 5: Describe two potential complications related to Short IV catheters.

Classes will be held at the Homewood Suites Hotel located at 6905 Main Street, Stratford, Connecticut 06614. To register for a room at the hotel call (203) 377-3322, ask for Claire in sales and give our name "PICC Resource" for a discounted room rate .
