Day of the Class-Be Prepared to...

Wear comfortable clothing—informal class, jeans or scrubs are fine.

Ask questions, join in the discussion!

Learn and laugh!

The hotel provides a full hot breakfast for overnight guests. Lunch is on us! A light lunch will be served.

**This continuing nursing education activity was approved by the New York State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Short IV Insertion Classes

(There is no commercial support for this activity.)

Target audience: Nurses and other health care professionals who may insert intravenous catheters as part of their job.

Overall goal of the activity: To instruct nurses, and health care professionals in short IV catheter insertion procedures, and in short IV catheter complication prevention and management .

Activity Goals and Objectives:

Upon successful completion of this activity the attendee will be able to:

- 1: Name 3 upper extremity veins appropriate for short IV cannulation.
- 2: Describe one technique to identify a vein appropriate for short IV catheter insertion.
- 3: Describe 2 steps to cause vein distention for venipuncture.
- 4: Describe 2 ways to prevent infections caused by a short IV catheter.
- 5: Describe two potential complications related to Short IV catheters.

Classes are held at the Homewood Suites Hotel, the address is: 6905 Main Street, Stratford, Connecticut 06614. To stay overnight, call: (203) 377-3322, ask for Claire in sales and request the "PICC Resource" discounted room rate .
